FOR PLAGUE SUFFERER**Mrs. G. Erlebacher Aids Tuberculosis
Patient in Fight.

Another contribution for T. W. Gibson was received by The Washington Herald yesterday. Mrs. G. Erlebacher, of 1210 F street northwest, was the contributor. Gibson is making a fight against the ravages of tuberculosis in a sanatorium in New Mexico. Mrs. Erlebacher's check was for \$5, bringing the total amount up to \$36.

Gibson has promised to return all money lent him at the rate of 10 per cent after he has regained his health, which the doctors assure him will be in a few months, provided he is not forced to give up the treatment.

Mrs. Erlebacher's letter follows: Gentlemen—Herewith you will find inclosed a check for \$5 to be sent to T. W. Gibson in the Methodist Sanatorium at Albuquerque, N. Mex. Very respectfully, Mrs. G. Erlebacher.

**IF KIDNEYS ACT
BAD TAKE SALTS**

Says Backache Is a Sign You Have Been Eating Too Much Meat, Which Forms Uric Acid.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scales and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness. Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.—Adv.
